

FUNDRAISING EVENTS

The Future Of Fundraising

Contactless donation

Contactless donation boxes are compact affordable and easy to use, making them ideal for fundraising events of any size.

Events are often busy and have large crowds so collecting donations needs to be done quickly and simply. Utilising contactless technology at your event means people can tap and go without a hold up, allowing you to collect more. Contactless donation devices ensure everyone can donate easily without the need to carry cash.

Whether your fundraising event requires a portable device for on the go fundraising or you're hosting a charity event where a tabletop device is needed, PayaCharity has a solution.

CONTACTLESS BENEFITS

- Donors who don't carry spare change can still donate at fundraising events.
- Contactless donation boxes increases the fundraising potential of any charity event, big or small.
- Portable devices allows for quick and easy fundraising on the move between events.
- No cash counting or banking necessary, saving you time.

PAYACHARITY SERVICES

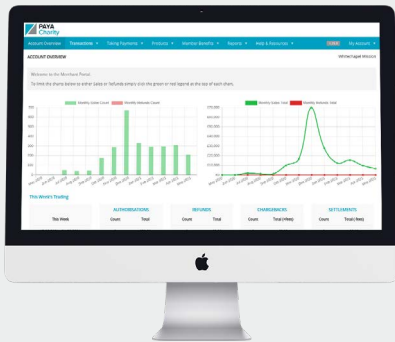

- We manage the application for your merchant account.
- We set-up your Charity Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.

SINGLE PROVIDER. FREE MERCHANT ACCOUNT. ONLINE PORTAL. UK SUPPORT.

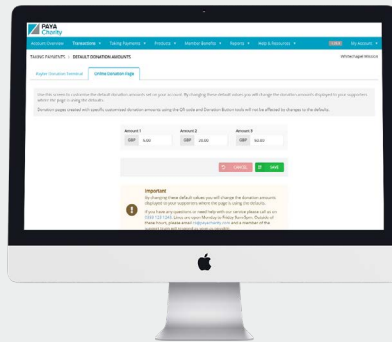

PayaCharity provides everything you need in one place, making it easier to set-up and manage your services and avoiding the complexity of multiple suppliers. In addition to the latest technology, we offer a choice of device types, free set-up and an online portal to manage your services, transactions, box settings and campaigns in real-time.

CHARITY PORTAL FEATURES & BENEFITS

Once you have set up a PayaCharity account, you will be given access to the Charity Portal. The Charity Portal allows you to monitor the progress of your contactless devices and the donations you receive. Your donations are also viewable in graph and table form, giving you a quick visual summary of your transaction worth each month. Transaction statements can also be downloaded for use in reports and PR.

Track the performance of your donation boxes in real-time, adapting your campaign strategy to achieve optimal results.

Manage contactless box settings online. View transactions, order products, reconcile statements and more.

Payter

The PayaCharity Payter is an exciting contactless donation solution for all types of charity event. The Payter can accept donations up to £45 and is pre-set to accept three donation amounts of £3, £5 and £10. You can tailor donations to your fundraising event by changing the set amounts at any time. The Payter is safe and secure and funds gets paid directly into your bank account.

GPRS CONNECTION

The Payter has both LAN and SIM connection to ensure quick processing of transactions no matter where you are.

A STANDALONE DEVICE

The Payter doesn't need pairing with other devices to work, no logins required, just power on and go.

CAN LAST ALL DAY

The Payter has up to 8 hours of battery life and can be used all day. You can also charge the device overnight and connect to a power bank.

EASY TO USE

Lightweight and easy to manage for your Volunteers and Donors. No pin required, just tap and go for a fast and safe donation.

ONLINE & OFFLINE USE

The Payter can still be used offline without a phone signal. It will also store transactions if the mobile signal is weak.

NO RISK OF THEFT

No cash means the Payter can be placed in public areas without the risk of theft.

CONFIGURABLE AMOUNTS

The Payter can be configured to accept recurring donation requests of whatever amounts you choose, giving you more control over your donations.

BRANDING

- Branding templates can be requested from our customer service team.

TEMPLATES

- Charities can use our template to design and print their own branding.

DELIVERY

- Alternatively, branding can be printed and delivered from our supplier.

PayaCharity Plus

The PayaCharity Plus payment terminal is ready to accept contactless, QR code scan, mobile and wallet payments, Chip & PIN and Magstripe.

It is ideal for charities who want to give donors the widest variety of payment and donation options. With Wifi and 4G connectivity options the Plus can operate with your own WIFI network or in mobile environments.

The PayaCharity Plus package includes the specially developed PayaCharity Plus App which has been designed for charities to collect recurring donation amounts, or a selectable payment amount. Charities can set their own donation amounts and the App can be fully branded for the charity.

BENEFITS

- Recurring or Selectable donation modes
- Email/SMS receipt options configurable for Gift Aid detail collection
- Easily select donation amounts
- Fast contactless process
- Option to take donations over £30 using chip & pin and Magstripe
- Wifi/4G SIM connection
- Can also be used for charity payments in store, at events or on stalls

FEATURES

- A standalone mPOS device
- 5-inch HD touch-screen
- Rechargeable battery for continuous use
- Dual cameras for recognition of

- 1D/2D codes
- Fast thermal printer
- Powered by Android OS
- Multiple connectivity options
- Supports electronic signature capture

EASY TO SET UP

The PayaCharity team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to your WIFI or 4G connection.

The App is quick and easy for donors to use in both Recurring and Selectable amount modes. In Selectable mode, they simply swipe between up to three set donation amounts or choose their own amount to donate. Once they have chosen their desired amount, they simply tap and pay by contactless or Chip & Pin.
