FUNDRAISING EVENTS

The Future Of Fundraising

Contactless donation

Contactless donation boxes are compact affordable and easy to use, making them ideal for fundraising events of any size.

Events are often busy and have large crowds so collecting donations needs to be done quickly and simply. Utilising contactless technology at your event means people can tap and go without a hold up, allowing you to collect more. Contactless donation devices ensure everyone can donate easily without the need to carry cash.

Whether your fundraising event requires a portable device for on the go fundraising or you're hosting a charity event where a tabletop device is needed, PayaCharity has a solution.

CONTACTLESS BENEFITS

- Donors who don't carry spare change can still donate at fundraising events.
- Contactless donation boxes increases the fundraising potential of any charity event, big or small.
- Portable devices allows for quick and easy fundraising on the move between events.
- No cash counting or banking necessary, saving you time.

PAYACHARITY SERVICES

- We manage the application for your merchant account.
- We set-up your Charity Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.
