RELIGIOUS ORGANISATIONS

Contactless Donation Solutions

Payter

The Payter is a popular contactless donation device that is highly versatile and beneficial for religious organisations. The Payter can be customised for the religious fundraising environment, whether as an offering plate or alms-giving device.

The Payter can also be fitted into a variety of impressive display units that give you the choice to style your fundraising efforts however you like. These can be fully branded with eye-catching printed graphics or religious emblems.

These display units can also be designed to feature a slot for cash donations, making them ideal for all religious organisations.

Features & Benefits

GPRS CONNECTION

The Payter has both LAN and SIM connection to ensure quick processing of transactions no matter where you are.

A STANDALONE DEVICE

The Payter doesn't need pairing with other devices to work, no logins required, just power on and go.

CAN LAST ALL DAY

The Payter has up to 8 hours of battery life and can be used all day. You can also charge the device overnight and connect to a power bank.

ONLINE & OFFLINE USE

The Payter can still be used offline without a phone signal. It will also store transactions if the mobile signal is weak.

NO RISK OF THEFT

No cash means the Payter can be placed in public areas without the risk of theft.

DEDICATED SUPPORT

The PayaCharity Help desk is always available for any help and support you may need.

VERSATILE FUNDRAISING

The Payter can be used as a portable device or left unattended, creating a dedicated spot for 24/7 donations.

EASY TO USE

Lightweight and easy to manage for your Volunteers and Donors. No pin required, just tap and go for a fast and safe donation.

CONFIGURABLE AMOUNTS

The Payter device can accept contactless transactions up to the value of £45.00 or €50.00. You can configure multiple donation amounts on the device for example £3, £5, £10 (€3, €5, €10)

PayaCharity Plus

The PayaCharity Plus payment terminal is ready to accept contactless, QR code scan, mobile and wallet payments, Chip & PIN and Magstripe.

It is ideal for charities who want to give donors the widest variety of payment and donation options. With Wifi and 4G connectivity options the Plus can operate with your own WIFI network or in mobile environments.

The PayaCharity Plus package includes the specially developed PayaCharity Plus App which has been designed for charities to collect recurring donation amounts, or a selectable payment amount. Charities can set their own donation amounts and the App can be fully branded for the charity.

BENEFITS

- Recurring or Selectable donation modes
- Email/SMS receipt options configurable for Gift Aid detail collection
- Easily select donation amounts
- Fast contactless process
- Option to take donations over £30 using chip & pin and Magstripe
- Wifi/4G SIM connection
- Can also be used for charity payments in store, at events or on stalls

FEATURES

- A standalone mPOS device
- 5-inch HD touch-screen
- Rechargeable battery for continuous use
- Dual cameras for recognition of

1D/2D codes

- Fast thermal printer
- Powered by Android OS
- Multiple connectivity options
- Supports electronic signature capture

EASY TO SET UP

The PayaCharity team will make sure your device is set up and ready to use straight out of the box, saving you time and ensuring you're ready to collect card payments right away. All you need to do is connect to your WIFI or 4G connection.

The App is quick and easy for donors to use in both Recurring and Selectable amount modes. In Selectable mode, they simply swipe between up to three set donation amounts or choose their own amount to donate. Once they have chosen their desired amount, they simply tap and pay by contactless or Chip & Pin.

FULL SUPPORT

Our Helpdesk are on hand for any assistance you may need. 0333 123 1243

PAYACHARITY SERVICES

- We manage the application for your merchant account.
- We set-up your Charity Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.

SINGLE PROVIDER. FREE MERCHANT ACCOUNT. ONLINE PORTAL. UK SUPPORT.

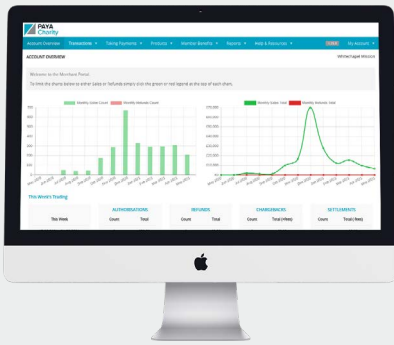

PayaCharity provides everything you need in one place, making it easier to set-up and manage your services and avoiding the complexity of multiple suppliers. In addition to the latest technology, we offer a choice of device types, free set-up and an online portal to manage your services, transactions, box settings and campaigns in real-time.

100% ONLINE APPLICATION

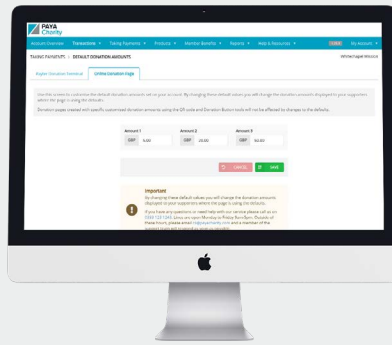

To get set started with Contactless Donations, visit our website and apply for a Merchant Account. The application is 100% online and there are no set up fees to pay. Once we've approved your application, we'll contact you to arrange the delivery of your contactless donation boxes.

CHARITY PORTAL FEATURES & BENEFITS

Once you have set up a PayaCharity account, you will be given access to the Charity Portal. The Charity Portal allows you to monitor the progress of your contactless devices and the donations you receive. Your donations are also viewable in graph and table form, giving you a quick visual summary of your transaction worth each month. Transaction statements can also be downloaded for use in reports and PR.

Track the performance of your donation boxes in real-time, adapting your campaign strategy to achieve optimal results.

Manage contactless box settings online. View transactions, order products, reconcile statements and more.

QR Code Donations

QR CODE TECHNOLOGY

PayaCharity also offer QR Code technology. These can be printed for use anywhere in your establishment, whether as stickers, posters or flyers.

It's simple to create your personal QR code and allows you to accept higher value donations. You can also add QR codes to your Payter contactless donation boxes. QR codes automatically take your donor to a secure payment page.
