

STANDING DISPLAYS

Stand out from the crowd with a fully branded static colour display unit.

Display stands are popular for guiding your visitors and encouraging spontaneous donations.

Our sturdy standing display units are built to house the Payter device, allowing you to grab the attention of your visitors while you collect contactless donations. Tall and stylish, these displays are designed to make an impact. You can add your organisation branding and any welcome messages and additional information you like.

- No pin required, just tap and go for a fast and safe donation.
- The Payter device can accept contactless transactions up to the value of £45.00 or €50.00. You can configure multiple donation amounts on the device for example £3,5,10.
- The Payter doesn't need pairing with other devices to work, no logins required.
- The Payter has both LAN and SIM connection to ensure quick processing of transactions no matter where you are.
- The Payter is mains powered and can be adapted with a car battery ion request.
- The Payter can still be used offline without a phone signal. It will also store transactions if the mobile signal is weak.

Fitted with a roaming SIM card, you can connect to all major mobile networks. Should you be fundraising at a location with no signal, then the box will accept offline donations – which means that the transaction is stored within the device until signal is regained.

PAYACHARITY SERVICES

- We manage the application for your merchant account.
- We set-up your Charity Portal and allow you to track your donations.
- We supply the contactless donation boxes.
- We provide UK based on-going support.

SINGLE PROVIDER. FREE MERCHANT ACCOUNT. ONLINE PORTAL. UK SUPPORT.

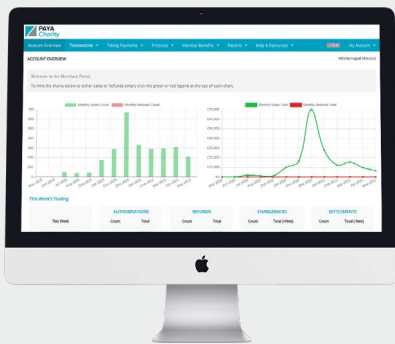

PayaCharity provides everything you need in one place, making it easier to set-up and manage your services and avoiding the complexity of multiple suppliers. In addition to the latest technology, we offer a choice of device types, free set-up and an online portal to manage your services, transactions, box settings and campaigns in real-time.

100% ONLINE APPLICATION

To get set started with Contactless Donations, visit our website and apply for a Merchant Account. The application is 100% online and there are no set up fees to pay. Once we've approved your application, we'll contact you to arrange the delivery of your contactless donation boxes.

CHARITY PORTAL FEATURES & BENEFITS

Once you have set up a PayaCharity account, you will be given access to the Charity Portal. The Charity Portal allows you to monitor the progress of your contactless devices and the donations you receive. Your donations are also viewable in graph and table form, giving you a quick visual summary of your transaction worth each month. Transaction statements can also be downloaded for use in reports and PR.

Track the performance of your donation boxes in real-time, adapting your campaign strategy to achieve optimal results.

Manage contactless box settings online. View transactions, order products, reconcile statements and more.
